He indicated that in all probability he would have it over to Mr. Woodruff before two o'clock this afternoon. Mr. Woodruff attempted to get a clearance on this letter from Senator Russell but the Senator advised he would rather it waited until he returned. Mr. Woodruff indicated that the obstacle was still Senator Russell's concern about funding of the RDC program. He further indicated that Senator Russell stated that if the Agency got into serious difficulty for lack of funds, Mr. Woodruff was free to call him again.
